

When I Pass Gas

**Sometimes
when my tummy is full,
I want to pass gas**

Passing gas smells bad

**I will excuse myself
to go to the toilet**

**When I am in the toilet,
I will pass gas**

**..or I will go to a corner
where no one is around to
pass gas**

**After I'm done passing gas,
I will go back to the room**

**I will be polite to my family,
teachers and all my friends.**
